Re: Coastal Environmental Systems, Inc., Robert L. Cullinane

Dear Mr. Calder:

Please be advised that Robert L. Cullinane was the secretary of this corporation and is a lawyer who has retired from the practice of law and is now a full-time Judge in the New Hampshire Court system. Coast Environmental Systems, Inc. dissolved many years ago and its principles have departed to unknown locations. Kindly delete Judge Cullinane's name from this matter and reframe from sending communications to 98 High Street, Somersworth, N.H.

Very truly yours,

Brian R. Barrington

Re: Coastal Environmental Systems, Inc. c/o Robert L. Cullinane,
Registered Agent/Coakley Landfill, North Hampton, N.H.

Dear Mr. Marchessault:

Please be advised that the Cullinane Professional Association is no longer in practice and that we have taken over the practice. Additionally, please be advised that Coastal Environmental, Inc. has been dissolved by operation of law and that its two former agents, Steven Rammer and David Parent recently sold their business known as Seacoast Fire and Equipment Company of 319 Vaughn Street, Portsmouth, N.H. and have left the area. Seacoast Fire and Equipment Company, Inc., I believe, was a successor to Coastal Environmental Systems, Inc. but I have no direct knowledge on this matter. I recently telephoned Seacoast Fire and Equipment Company and they were unable to give me a forwarding address on Steve Rammer and David Parent. Therefore, I am returning the information request to you.

Very truly yours,
